### Vintage Woods Stain Warranty

Vintage Woods' 10-year limited warranty requires that Vintage Woods Maintenance coat is applied within three months after the original coating has been exposed for five years.

Vintage Woods Limited Warranty Conditions: Vintage Woods, as its sole liability and hereby disclaiming liability for any direct or indirect, incidental, special, or consequential damages, will, at the applicator's option, furnish sufficient replacement coatings to repair the siding involved or refund the purchase price of the originally installed siding, trim, fascia, soffit, paneling, beams and posts determined by Vintage Woods to be defective. The costs of delivery and labor for the application of any product and other expenses such as for accessories (building paper, fasteners, caulking, etc.) are specifically excluded from this warranty. Vintage Woods obligations under this warranty shall in no event exceed the purchase price of the original Vintage Woods products. Any replacement product provided in response to a warranty claim shall be warranted only for the balance of the applicable period under this warranty.

In order for this warranty to be operative, all cut ends of the siding must be field-coated during siding installation using the same Vintage Woods coating system applied to the rest of the board. Any product where the coating is found to be unsatisfactory, prior to installation, for any reason, **MUST NOT** be installed and should be returned to the manufacturer for replacement product. Vintage Woods will have no responsibility under this warranty if defective or unacceptable product is installed. This warranty does not apply to damage or failure caused by excessive warping, cupping, splitting, cracking and shrinkage of the siding material, breakdown of the underlying substrate, falling objects, faulty or improper storage and installation, lack of proper maintenance, accidental damage, structural defects, fire, lightning, hurricane, tornado, windstorm, earthquake, hail, or other acts of God, harmful chemicals (including harmful cleaning compounds), surface deterioration due to air pollution, misuse, abuse, vandalism, mildew accumulation, scratching, abrading or misuse/abuse of the prefinished product after application. Extractive bleeding, mildew, efflorescence, and color appearance are not manufacturing defects and are not covered by this warranty. Vintage Woods makes no other express or implied warranties and specifically disclaims the implied warranties of merchantability and fitness for a particular purpose.
